October 2009 Newsletter

Hi everyone,

Our October fly in breakfast was a great success with a respectable total of 26 aircraft attending and 55 paying breakfast customers. Also present were 50 well presented young air cadets with their 6 seniors. It was a good opportunity for them to appreciate our beautiful aircraft. The weather was almost perfect with a 15 to 20 knot wind straight down runway 15.

First to arrive was Keith Galloway with his granddaughter Kate in their very attractive SportStar. It was young Kate's first flight and she says she enjoyed it. A few minutes later Ken and Ann-Maree Cox arrived in their Grumman Tiger and then a steady flow of arrivals followed.

Below: Pat hard at work. Thanks Pat!

Of course Pat, Barrie, Lance and other dedicated workers were already hard at work preparing the club's famous breakfast, and the call from Pat of "Breakfast is served" saw the action started.

Several hours later after much eating, talking and aircraft viewing, the airfield was busy again with departures. The Christmas party this year will be incorporated in the 21st November Breakfast fly-in and will run from 9:00am to noon. More details will be supplied closer to the event.

Take care, fly safe and see you all soon.
